Alexis Baxter

FOUNDATION

The Alexis Baxter Organization is a 501c3 poised to initiate a new and exciting program developed by Alexis Baxter Founder, that focuses on teaching of self care, awareness and empowerment to today's girls in order to enhance the focus of a more prosperous and productive life through beauty. We will grant youths ages 9-16 with opportunities to encounter new experiences through a focused self care curriculum.

The Alexis Baxter Foundation will provide activities and programs that encourage improved academics, provide mentorship, and increased exposure to professional opportunities for girl ages 9-16.. The initiative is unique among existing youth programs and efforts in its focus on programs and activities for this primary group for influencing youth audiences.

The Alexis Baxter Foundation will be delivering programs, hosting community events, and promoting media messages that encourage youth .
